Performance
and Protection
for Vehicles
and Equipment**

Performance. Pour it on.

You have a big investment in your vehicles and equipment – cars, trucks, tractors, boats, dozers, excavators, cranes, generators, rail and more. You need your vehicles and equipment to work when you work – and look good, too. That's why we offer a complete line of diesel additives, biodiesel additives, and gas additives formulated to enhance fuel performance and provide critical protection against expensive breakdowns.

We also make performance-enhancing cleaning products to keep your vehicles and equipment clean inside and out. We've been making performance products since 1980. Our products provide maximum performance protection and return on investment for vehicle and equipment professionals worldwide. To learn more, visit www.EZOIL.com.

All E-ZOIL diesel fuel additives comply with the federal ultra low sulfur content requirements for use in diesel motor vehicles and nonroad engines. All E-ZOIL diesel fuel additives are safe for use with ultra low sulfur diesel and biodiesel fuels. All E-ZOIL fuel additives are safe for use with oxidation catalysts and diesel particulate filters.

Diesel Aid

All-Season Performance Additive

- Improves Fuel Economy
- Totally Disperses Water
- Improves Cold Flow
- Improves Lubricity
- Inhibits Corrosion

PART#	SIZE	UNITS/CS	TREATS
D10-08	8 OZ	24	240
D10-01	1 GL	6	3,840
D10-05	5 GL	1	19,200
D10-55	55 GL	1	211,200
