

E-ZOIL

Performance. Pour it on.

FUEL ADDITIVE APPLICATION CHART

REDUCES DPF REGEN CYCLES

D70-16

16 OZ

INJECTOR DEPOSIT CLEAN-UP

D70-08

8 OZ

Treats 100 GL

CARBON CRUSHER

Treats 200 GL

DIESEL FUEL SYSTEM CLEANER

CARBON DEPOSIT CLEAN-UP

Cetane Enhanced for Better Combustion

- Reduces DPF Regen Cycles
- Cleans Fuel System
- HD Lubricant
- Dissolves Asphaltene
- Increases Cetane
- Detergent Designed for HPCR
- Improves Fuel Economy
- Stabilizes Fuel
- Improves Combustion

State-of-the-Art Detergent

Safe to use with every tankful

D50-16 16 OZ

DIESEL FIRE

Treats 64 GL

Both Totally Separate Moisture!

Both offer +6 Points Cetane

OR

D60-16 16 OZ

DIESEL FIRE PLUS

Treats 64 GL

Anti-Gel to -30°F (-34°C)

LIGHT & MEDIUM DUTY DIESEL

POWER SHOTS

8 OZ SIZE
D50-08
D60-08
Treat 32 GL

Diesel Fire = year-round ☀️
Diesel Fire Plus = winter weather ❄️

Both offer +6 Points Cetane

Treat with Diesel Fire or Diesel Fire Plus to:

- Separate Moisture
- Improve Lubricity
- Increases Cetane
- Inhibit Corrosion
- Clean HPCR Fuel Systems
- Improves Fuel Economy
- Improves Combustion
- Prevents Gelling/Waxing - D60 ONLY

State-of-the-Art Detergent

Safe to use with every tankful

B10-16

BIO-AID

Treats 240 GL

OR

B15-16

BIO-POWER

Treats 200 GL

Anti-Gel to -15°F (-26°C)

BIO DIESEL FUELS

Bio-Aid = year-round ☀️
Bio-Power = winter weather ❄️
For all Biodiesel Blended Fuels

- Improves Lubricity
- Inhibits Corrosion
- Disperses Water
- Controls Microbial Slime
- Prevents Gelling
- Improves Fuel Economy
- Improves Cold Flow
- B10-16 ONLY
- B15-16 ONLY

Safe to use with every tankful

S80-16

STORZALL

Treats 200 GL

- Gasoline
- Diesel Fuel
- Biodiesel
- Kerosene

STORZALL For Prolonged Storage of All Fuels

- Stabilizes All Fuels
- Inhibits Oxidation
- Prevents Fuel Degradation
- Protects Fuel System
- Enables Storage

Use Storzall when storing any fuel or vehicle with fuel remaining.

STABILIZE & STORAGE

PHAZE-OUT For Ethanol Blended Gasoline

- Prevents Phase Separation in E10, E15 and E85 fuels
- Improves Combustion
- Cleans Fuel System
- Prevents Corrosion
- Stabilizes Fuel

- E10, E15 & E85
- 2 Cycle
- 4 Cycle

Treats 40 GL

G10-08

PHAZE-OUT

E-ZOIL offers a full line of diesel fuel additives to solve all diesel fuel related problems.

A more specific maintenance program can be tailored to your unique circumstances. Please call E-ZOIL for assistance.
